

FREQUENTLY ASKED QUESTIONS

1. What's included when I buy my pass?

Included is transport on our modern air conditioned buses, services of your Driver and Guide including commentary, accommodation bookings, and free activities. Trips include visiting heaps of places that would cost you extra if you travelled alone or on a normal bus service.

The Hula Loop, Tribal Loop and Lei Low passengers pay separately for accommodation as you travel, but this can be booked en route by your Guide on a daily basis.

The Hotel Hula is for those customers that wish to prepay for their hotel style accommodation.

The Lei Low pass, Beachcomber Island sector: Passengers price includes boat transfers, dorm accommodation and 3 meals per day, as well as free activities on Beachcomber Island.

The Tribal Loop pass, Tribewanted sector: Passengers price includes return airfare to Labasa with Pacific Sun, transfer to/from Labasa to Vorovoro Island, 5 meals a day, Tribewanted membership and activities/projects on Vorovoro Island.

2. Can I change my departure dates?

You can change your departure dates as often as you like! To change your departure date contact the Feejee Experience office by phoning +679 672 3311, faxing +679 672 0184 or enquiries@feejee.co.nz.

3. What accommodations are used?

The Resorts used are:

➤ **Mango Bay Resort** - Beachfront property which has beach front bures, safari tents and dorm style accommodation (they just won an award for the Best Backpacker Accommodation in Viti Levu, Fiji).

➤ **Raintree Lodge** - A lodge on the edge of the Suva rainforest. They have dorms, private double rooms, twin rooms, and bunk rooms (all with share facilities) and detached bures.

➤ **Volivoli Beach** - Beachfront property at the northern tip of Viti Levu with dorms, lodge rooms, and private villas. All rooms with seaviews.

However, we are always happy to drop passengers at a different accommodation in the area if they prefer.

4. What should I bring?

You should bring sunscreen (SPF30), insect repellent, water, extra cash, walking shoes, swimwear, towel, clothes, a hat to protect you from the sun, walking shoes that can get wet on the hike and a camera. Please bring one t-shirt or shirt that covers your shoulders for when we visit the villages. Also, if you wish to bring school books/school supplies for the school visits you are most welcome, but not expected to. If you have large items such as surfboards or scuba gear, please let us know when you are booking so that the Driver can make room on the bus.

5. How much money do I need?

The average Feejee Experience passenger spends about NZ\$50 to NZ\$60 per day while on the bus for accommodation, meals, beverages, souvenirs, and any other little extras. Don't worry our Driver and Guides will do an ATM stop everyday on the Feejee Experience.

6. What is the climate like in Fiji?

Fiji's climate can be enjoyed all year round in your summer gear (20 degrees C to 33 degrees C). The period between May and October is generally drier, but a little cooler. Needless to say leave your ski jackets at home.

7. What are the benefits of travelling on Viti Levu as opposed to the other islands?

The benefits are simple, the main island provides comforts. Viti Levu has some of the most beautiful beaches in the world and due to the fact they are on the main island away from most tourist destinations they are clean and untouched. Travelling on the main island also allows you to save heaps more than you would on the islands; goods, food, etc are all cheaper where they are made and that is Viti Levu. 85% of the Fijian people live on Viti Levu, which means you will meet and mingle with a lot of them on Feejee Experience.

8. What can I do on Vorovoro?

Get involved in the community: On Vorovoro this means embracing and celebrating the local Fijian culture and traditions and becoming a unique focal point for responsible tourism in the region.

Learn about sustainability: Using Vorovoro as a 'test-bed' for small-scale sustainable projects that visiting tribe members and local Fijians can contribute to and be part of. Inspire local community and tribe members to take their Vorovoro experience home with them.

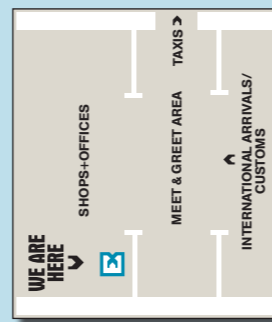

Adventure: To bring like-minded people together online and in a magical place for an unforgettable journey.

9. What other activities does Feejee Experience offer?

You can organise a variety of activities; such as scuba diving, sky diving and four wheel drive trips with your Feejee Experience Guide at exclusive rates onboard the bus.

"See you soon"

Bula and Welcome!

THIS IS THE REAL FIJI – SUN, SAND, CULTURE AND ADVENTURE! FEEJEE EXPERIENCE WILL TAKE YOU TO THE BEST BEACHES, AMAZING RAINFORESTS AND OFFER FASCINATING CULTURAL INSIGHTS WITH THE FIJIAN PEOPLE.

Fiji is made up of 333 islands, the largest two islands being Viti Levu and Vanua Levu. Feejee Experience offers passes that include various islands to explore rare and untouched places you never knew existed in this tropical paradise. Take a few days, a few weeks, or even a few months to explore the real Fiji!

How does Feejee Experience work?
Your Feejee Experience pass is valid for 12 months, so you can really take advantage of how the hop-on / hop-off system works. Hop-off where you want to stay longer, and hop back on the Feejee Experience bus when you want to continue your Fiji travels.

Feejee Experience offers the best in backpacker resorts. Real value pass with free activities included

Free activities! There are over 10 free activities that are included with your Feejee Experience pass. This means you can save money for sunscreen, cocktails on the beach, extra nights accommodation, Fijian jewellery, or to donate to the local village projects we visit along the way. Exclusive village visits, sand boarding, a 2-3 hour trek in the rainforest, river tubing, secluded waterfall swim, bilibili rafting, hot pools, mud pools, school/orphanage visits are just some of the inclusions Feejee Experience offer!

Helping the community and the environment

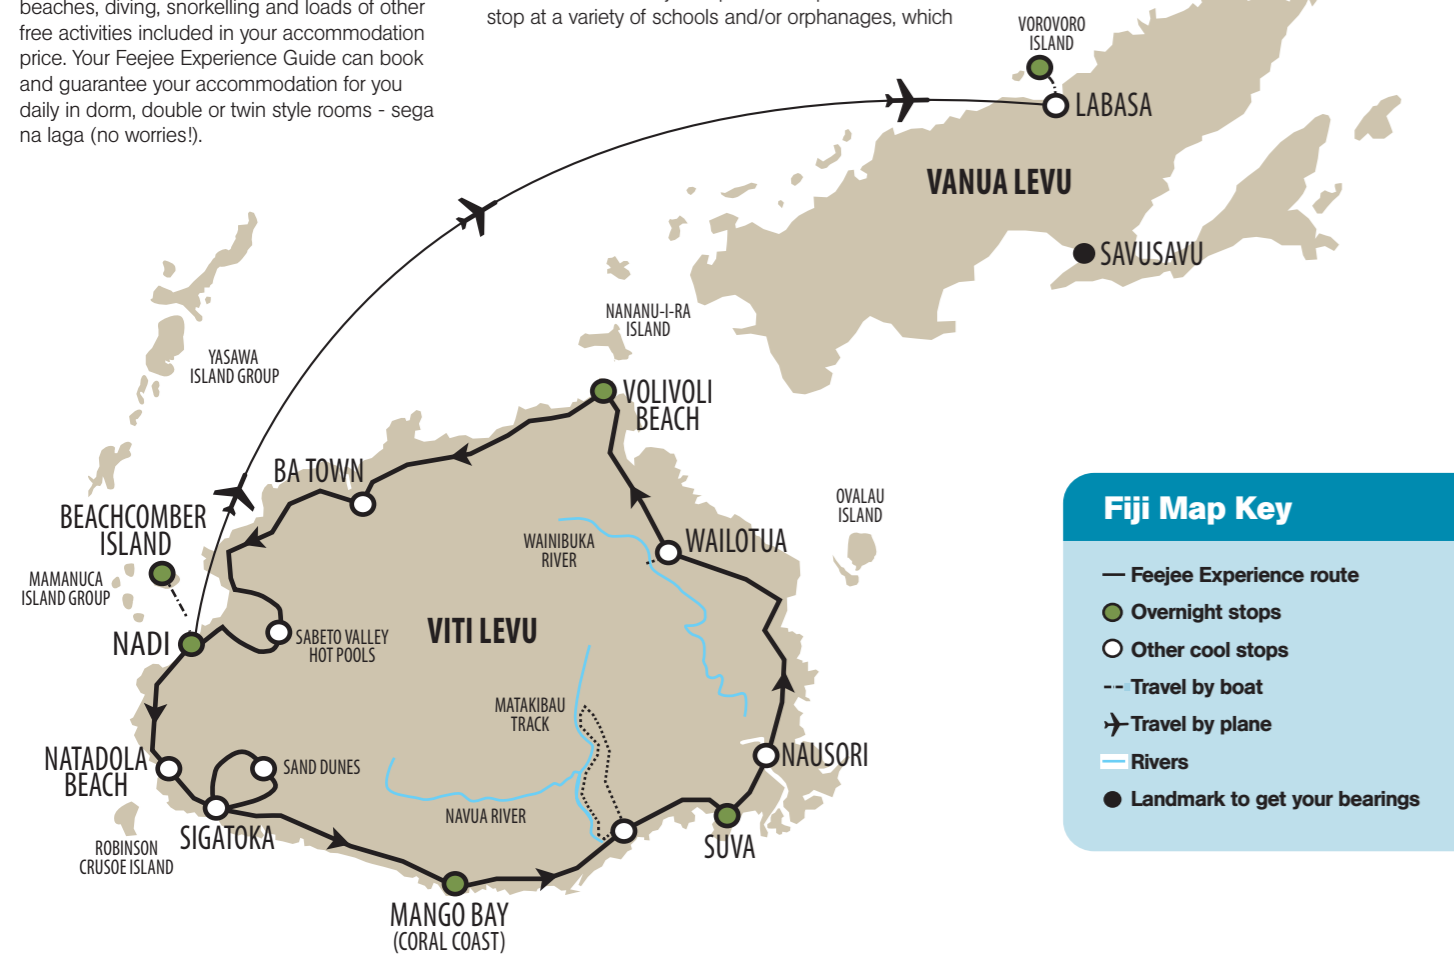

We like to give something back to the communities we visit, so Feejee Experience sponsors a class of students annually so they can obtain a High School Education. Each Feejee Experience trip also makes a stop at a variety of schools and/or orphanages, which

enables you, the traveller, the opportunity to donate school stationery and other small inexpensive gifts to the less privileged children of Fiji. Makes you feel pretty good!

Tribewanted

Feejee Experiences newest initiative is to support Tribewanted, which is an eco-tourism project that enables travellers to live in a rural Fijian community on Vorovoro Island, as a contributing member of the tribe. Tribe members play an active role in this 21st century sustainable community project. See the passes page for the 'Tribal Loop' pass.
